## **Stonefield Street Surgery - Patient Travel Survey**

Stonefield Street Surgery are looking to improve the health services we offer, and one option being considered is a new purpose-built health centre.

We would like to gather information about our patient's existing travel patterns to help us consider the feasibility of this option.

We would be grateful if you could spare a few minutes to fill in this survey.

Please be assured that all answers you provide remain anonymous and will be strictly confidential.

**Please hand this survey in at reception before you leave. Thank you**
